

Human Patient Simulation Network

# HPSN

UK & IRELAND 2023

## December 13-14, 2023

Doubletree by Hilton Hotel, Nottingham Gateway

sponsored by **CAE**

## Wednesday, December 13

Time	Event	Speaker/Session	Location
08:30 – 09:30	Registration – Tea / Coffee		Lobby
09:15 – 09:45	Welcome – Opening Remarks	Jeff Evans, CAE Healthcare	D'Arcy
09:45 – 10:45	Keynote Presentation	<b>Right technology, right place, right time</b> Emily Browne, Midlands Air Ambulance	D'Arcy
10:50 – 11:15	Interactive Stations – Rotation 1	Embodify / LearningSpace / Patient Sim – Equip / Patient Sim -AR	Product Showcase
11:20 – 11:45	Interactive Stations – Rotation 2		
11:45 – 12:00	Tea / Coffee		Product Showcase

Time	D'Arcy	Braeburn	Pippin	Rose Garden	Herb Garden	Acorn 1
12:00 – 13:00	<b>Strategic Operations Demonstration – There will be blood</b>	<b>Lessons learnt from the first year of Simulated Placement Learning</b> N Guthrie, Anglia Ruskin University	<b>VR simulation as a method of OSCE assessment: An exploration of learner experiences</b> A Sunderland, Wynnefield Consulting  <b>Using AI Language Model to Create Simulation Environments</b> H Meo, Frimley Health NHS Foundation Trust	<b>Live Simulation</b>  <b>Simulation Z-A</b> A Wilford, Staffordshire University	<b>Using EPR in our simulation scenarios</b> P Wilder, Frimley Health NHS Foundation Trust	<b>Obstetric Emergency Simulation in an ED</b> S Paine, Royal Bolton Hospital  <b>Developing a Major Haemorrhage Checklist for adults using Simulation Train</b> E Smith, Royal Bolton Hospital

Time	Event	Speaker/Session	Location
13:00 – 14:00	Lunch		Product Showcase
14:00 – 14:25	Interactive Stations – Rotation 3	Embodify / LearningSpace / Patient Sim – Equip / Patient Sim -AR	Product Showcase
14:30 – 14:55	Interactive Stations – Rotation 4		

Time	D'Arcy	Braeburn	Pippin	Rose Garden	Herb Garden	Acorn 1
15:00 – 16:00	<b>LearningSpace user group meeting</b>	<b>Evolving Simulation: Discussion forum on scaling Simulated Placements for large student cohorts</b> Sim & Skills	<b>Swindon and Wiltshire Innovative Technology Care Hub, The use of simulation to enhance T-Levels and upskill care staff</b> D Panes, New College Swindon  <b>A day in the life of a trainee nurse associate</b> E Smith, Royal Bolton Hospital	<b>Live Simulation</b>  <b>Joined-up thinking</b> W McCracken / J Davies, CAE / Swansea University	<b>Producing fake wounds with self-mix silicone – a hands on workshop</b> D Blood, University of Surrey	<b>A Realist Review Examining the Contribution of Extended Reality (XR) Immersive Technologies in Clinical Skills and Simulation Based Education to Improving Patient Outcomes</b> R Delpino, UHB  <b>Developing ultrasound skills in a cohort of critical care nurses: Impact on clinical service delivery and self-reported assessment of skills</b> P Smith, Royal Papworth Hospital  <b>Can VR-Simulation reduce imposter syndrome in Medical Students?</b> S Housden, UEA

Time	Event	Speaker/Session	Location
16:00 – 17:00	Plenary Session	<b>MetaSimCast: Bringing SIMplicity to the complex process of podcasting...live!</b> Lawrence Hill, Anthony Jermy, University of East Anglia	D'Arcy
18:30 – 22:30	Evening Reception	Casino and Cocktails	Product Showcase

Please visit [hpsn.com](https://hpsn.com) to view abstracts and co-authors. Only first author cited in this programme.

## Thursday, December 14

Time	Event	Speaker/Session	Location
08:30 – 09:30	Registration – Tea / Coffee		Lobby
09:30 – 09:45	Welcome – Opening Remarks		D'Arcy
09:45 – 10:45	Keynote Presentation	<b>Back to the Future</b> Joanne Davies, Swansea University	D'Arcy
10:45 – 11:10	Tea and Coffee		Product Showcase

Time	D'Arcy	Braeburn	Pippin	Rose Garden	Herb Garden	Acorn 1	Acorn 2
11:10 – 12:10		<b>Optimising the Manikin's Role in Co-Production</b> A Buttery, Canterbury Christchurch University	<b>Instigating and Developing a Mobile Outreach Skills Clinic for Assessment (OSCA)</b> J Hay, Cheshire & Merseyside Collaborative	<b>Live Simulation</b>  <b>Pre-Hospital Scenario</b>  Midlands Air Ambulance / Paramedic Group	<b>Producing fake wounds with self-mix silicone – a hands on workshop</b> D Blood, University of Surrey	<b>Implementing INACSL – How to adopt INACSL IV into your simulation practice</b> A Wilford, Staffordshire University	<b>The value of peer debrief in simulation faculty development</b> K Howson, Maudsley Learning, South London and Maudsley NHS Foundation Trust
12:15 – 13:15		<b>Unlocking Advantages and Overcoming Challenges: Integrating an AI-Powered Virtual Patient into the Undergraduate Health Curriculum to Enhance Standardised Patient Experiences</b> J Davies, A Green, Liverpool John Moores, Coventry University	<b>TBC</b> North Tees & Hartlepool NHS Foundation Trust	<b>Mid-Fi Technical Clinic</b> J Pimley, CAE Healthcare	<b>Video enhanced learning in simulation: Implementing video across Simulation activities to achieve more impactful learning experiences</b> T Lawler, Royal College of Surgeons in Ireland  <b>Developing a clamshell thoracotomy model for multidisciplinary simulation training</b> M Voborsky, Royal College of Surgeons in Ireland	<b>StudentSim Wizard : Putting the magic into your designs a faculty and learner perspective</b> A Wilford, Staffordshire University Avoiding training scars and promoting psychological safety in clinical education C Neveu, St Georges University	<b>The role of simulation training and debrief in stimulating discussion surrounding work culture, stressors and clinician wellbeing in a healthcare setting</b> K Howson, Maudsley Learning, South London and Maudsley NHS Foundation Trust

Time	Event	Speaker/Session	Location
13:15 – 14:15	Lunch		Product Showcase
14:15	Close
